BASIC LIFE SUPPORT

Date: 20th and 21th JUNE 2022

Venue : Number of participants :

- UG Students: 00
- PG Students : 24
- INTERNS : 02
- FACULTY: 00

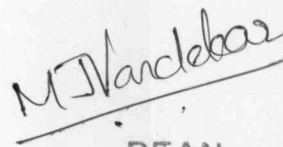

SUMMARY: A 'BASIC LIFE SUPPORT WORKSHOP' was conducted at the 4th floor auditorium at YMT Dental College. This workshop was conducted by the Department of OMFS in collaboration with Charles Institute, an American Heart Association (AHA) accredited institute. This was conducted for 2 days-20th June: Interns and the Alumni graduates and 21st June: Post graduate students

Introduction and Welcome address : Shweta Juneja, RajnandiniGoenka

The sequence of the event were as follows:

- 1) Demonstration for CPR on mannequins
- 2) Hands on exercise for the students
- 3) Explanation and demo on how to use AED machine during CPR
- 4) BLS for small children.
- 5) Technique on how to stop the patient from choking.
- 6) Theory Examination
- 7) Practical examination and Viva voce.

The workshop saw an enthusiastic response from the Interns, Alumni and the 1st, 2nd Year PG's. This workshop concluded with a vote of thanks and mementos for the BLS Team by Dr. Shreyas Gupte. Professor and Head of Department of Oral and Maxillofacial Surgery.

ROTARY ENDODONTIC WORKSHOP

Date: 10TH MARCH 2021

Venue : Auditorium 4th floor, YMT Dental college and hospital

Number of participants :

- UG Students: 00
- PG Students : 10
- INTERNS : 20
- FACULTY: 00

SUMMARY: the Indian association of conservative dentistry and endodontics has earmarked March 5th as a Cons-Endo day throughout the India to raise awareness among the public regarding the speciality. To mark this event, CONS-ENDO Day was celebrated in the first week of March. A workshop and hands on was conducted by the department of endodontics and conservative dentistry under the guidance of the head of the department and President of IACDE Dr. Vibha Hegde in the company of other staffs of the department, with the aim of emphasizing on rotary endodontics. The aim of the workshop and hands-on was to improve patient care and effective shaping and cleaning of the root canal.

Interns and the post graduate students participated with great enthusiasm and went back with enriching experiences. The participants could acquire knowledge about advances in rotary endodontics followed by hands on experience under the guidance of the teaching faculty.

The workshop ended with closing remark from the representative of the organising committee.

SUMMARY: The Department of oral and maxillofacial surgery organised a workshop on basic life support on 30/08/ 2019. Under the guidance of Dr. Shreyas Gupte Professor and Head. A informative lecture was delivered by Dr. Anant Kulkarni regarding the basic life support and cardio pulmonary resuscitation. As medical emergencies can be encountered by any medical professional in their clinics or in any hospital and one should be able to handle it correctly. It is of utmost importance to know as much as possible about it, so that we can pass on correct information regarding it. The lecture was very informative covering all the important aspects of it with includes the cause, signs, symptoms, diagnosis, prevention and its management.

CARDIOPULMONARY RESUSCITATION

Date: 30TH JULY 2018

Venue :5th Floor Homeopathic college, Dr. G D Pol Foundation.

Number of participants :

- UG Students: 49
- PG Students : 00
- INTERNS : 00
- FACULTY: 00

SUMMARY:

The Department of oral and maxillofacial surgery organised a workshop on cardiopulmonary resuscitation as a basic life support on 30/07/ 2018 along with American Heart Association with a tag line of " THE FINEST THING ANY PERSON CAN DO IS TO SAVE A LIFE". Under the guidance of Dr. Shreyas Gupte Professor and Head. Informative lectures was delivered, regarding the basic life support and cardio pulmonary resuscitation, such as resuer adult BLS, child BLS, infant BLS, adult and child choking and infant choking. Lectures were followed by the examination to check the skills of a BLS health care provider. As medical emergencies can be encountered by any medical professional in their clinics or in any hospital and one should be able to handle it correctly. It is of utmost importance to know as much as possible about it, so that we can pass on correct information regarding it. The lecture was very informative covering all the important aspects of it with includes the cause, signs, symptoms, diagnosis, prevention and its management.

The lecture was followed by the hands on workshop on CPR which was attended by the staff and the students . it raised awareness on medical emergencies, cleared out all misconceptions and also helped to impart knowledge for the same.
